

Lucky Colour Combination for Greater Success

Congratulations to those who are born in the years of the Snake, Rooster, Boar and Ox. This year will be fruitful as these zodiacs will have greater wealth, career advancement, and there will be less obstacles in all undertakings.

Avoid arguments with business partners especially in the months of February, May and August, 2016. To create greater luck and positive Qi try using these combinations for colour of paints Gold with Green and / or Green with Red, Purple.

Expect a great deal of innovative and creative ideas from those born in the year of the Monkey, Tiger, Rat and Dragon. Remain positive as this will ensure to an efficacious year ahead.

Those who are born in the year of Tiger, Horse, Monkey and Dog expect a busy year in 2016 as there will be more traveling to take place during the year. There will also be higher chance to deal with property transactions in 2016. Look out for opportunities to move to a new house or office space. Doing some renovation such as repainting in the existing house or office can bring forth better luck. People born in the year of the Dog take extra care of the elderly family members.

Generally, those born in the year of Boar, Rabbit, Goat and Ox must take extra care in health, such as in the digestive and respiratory systems, especially amongst the ladies. Try choosing these colours combination to enhance health and wellbeing: year of the Ox combines Gold with either Yellow, Brown.

Those who were born in the years of the Dragon, Monkey, Dog and Rat should stay clear when travelling on the road as well as avoid arguments with others. Try combining Green, Blue with Yellow, Brown.

This will be a lovely year for those born in the year of Rabbit, Rooster, Snake, Goat and Ox. Singles will have a chance to meet their soul mates. The Goat and Ox will have greater opportunities in conceiving baby.
