

Bagaimana mengekspot Buku Telefon kepada Pengguna GBS yang lain

A) Pilihlah Buku Telefon yang anda ingin “mengeksport” keluar kepada pengguna GBS yang lain

The screenshot shows the 'Phone Book' management interface. At the top, there is a navigation bar with the title 'Phone Book' and several action buttons: 'Baru', 'Padam', 'Mengimport', 'Mengeksport', 'Mobile List', and 'Refresh'. Below this is a horizontal menu with letters from A to X, and an 'All' option. The main area displays a list of phone books. The first entry is 'NAMA BUKU TELEFON BARU' with an unchecked checkbox. The second entry is 'ali' with an unchecked checkbox. The third entry is 'lala' with a checked checkbox. A callout box labeled 'A' has an arrow pointing to the 'Mengeksport' button in the top navigation bar.

B) Pilihlah “Ekspot to Member”, Masukkan ID pengguna yang anda ingin mengekspot Buku Telefon kepadanya , Klik “Request One-Time –Pin”, system GBS akan hantar kod ke telefon bimbit anda. Masukkan kod tersebut dan klik “Submit”. Buku telefon tersebut akan hantar ke pengguna GBS yang anda pilih.

The screenshot shows the 'Export Phonebook Data' form. It has a title bar 'Export Phonebook Data'. On the left, there are labels for 'Jenis Export', 'ID Ahli', and 'One-Time PIN'. The 'Jenis Export' field is a dropdown menu currently set to 'Export to Member'. The 'ID Ahli' field is an empty text input box. The 'One-Time PIN' field is an empty text input box. To the right of the 'ID Ahli' field, there is a blue link that says 'Request One-Time PIN'. Below the input fields, there is a red warning message: '***Every One-Time PIN will deducts one credit.' At the bottom center, there is a blue 'Submit' button. Two callout boxes labeled 'B' have arrows pointing to the 'Request One-Time PIN' link and the 'Submit' button.
